**Gold active Participant**

I was born in Portugal, with dual nationality (Portuguese and British) and I am a proud citizen of Oporto. I enjoy playing all sports but more specifically football.

I have been to several tournaments including some abroad.

I also play the violin which I have done since the age of 5 and continue to enjoy playing.

I have completed the International Duke of Edinburgh bronze and silver awards and thoroughly enjoyed both.

There were bumps along the way, but they all added to the experience.

I am looking forward to the challenges gold has in store.

I hope to share my experiences and passion for the International Duke of Edinburgh award with many other people.
